Certified Expert in Credit Management (CECM)

About the Program

Capacity building needs of the bankers on credit management is a crucial area to address in Bangladesh. 'Certified Expert in Credit Management (CECM)' has been introduced to enhance capacity of the banking industry of the country by creating expert human resources in the area of credit management. It is a six months program that combines three months online and three months offline packages. The program is particularly suitable for the bankers working in the credit and the related departments of banks or bankers want to be associated with credit management activities of banks.
